In accordance with Government Code section 11346.8(c), the Department of Motor Vehicles (department) provides this notice for the purpose of inviting comments regarding modification of the proposed adoption of regulations amending the Business Partner Automation Program. The regulatory language as originally proposed was published in the California Regulatory Notice Register on September 7, 2007, and provided to interested persons for comment.

The department received no written comments during the 45-day comment period. During the Office of Administrative Law review of the rulemaking file, the file was disapproved based on clarity and necessity issues. These issues have been addressed in the modifications to the language and handbook.

The proposed modifications affect Sections 225.00, 225.03, 225.06, 225.09, 225.21, 225.35, 225.38, 225.45, 225.48, 225.54, and 225.72 and the handbook. The language modifications are clearly illustrated by the following methods:

- (1) The language originally proposed to be added to the text is single underlined.
- (2) ~~The language originally proposed to be deleted from the text is overstruck.~~
- (3) *The language proposed to be added to the original text and not originally identified in the proposed language is double underlined and in italics.*
- (4) ~~The language now proposed to be deleted which was originally proposed to be added is overstruck and underlined.~~
- (5) ~~The language added to the text when originally noticed and to be deleted in the modification.~~

Any interested person may submit written comments or inquiries regarding the changes to the proposed text to departmental representative, Christie Patrick, by mail at: Department of Motor Vehicles, Regulations Unit C-244, Post Office Box 932382, Sacramento, California 94232-3820 or by e-mail at cpatrick@dmv.ca.gov.
